[The Mill Salon and Apothecary](#) (Sat: 11AM-5PM, Sun: 11AM-4PM)

[Port of Call Cigars](#) (Sat: 11AM-5PM, Sun: closed)

[Eastern Shore Brewing](#) (Sat: 12-9PM, Sun: 12-7PM)

With all of the above, we can spend an hour here before heading to the St. Michael's Marina for lunch and other activities. But know at the museum is also [Gina's Café](#) which could be a lunch location. Also we're somewhat time constrained to be on the Patriot Cruise at 2:30PM (see below).

2:30-3:45PM – We can decide during our trip if we wish to take the Patriot Cruise, or tour the museum, or split up to pick between the two (, or something else). We won't have time to do both (museum closes at 4PM). We can buy tickets in advance, but would wait until that weekend, perhaps that Friday evening after we make a decision.

The Patriot holds up to 149 passengers (cost is \$27.50/adult, \$25.00/seniors 65+). From their website, here is what the cruise offers:

The 65-minute cruise on the Patriot, winner of the Best Party and Event Cruise of the Bay by What's Up Eastern Shore Magazine. We will teach you the history of St. Michaels and the ever-changing Chesapeake Bay. We will see beautiful 300-year-old Mansions and learn their history. We will even see the Waterfront Mansions seen in the Movie "The Wedding Crashers". We will also focus on the varied wildlife on the Miles River. We have wonderful restrooms, snacks, and a full bar.

The [Chesapeake Bay Maritime Museum](#)... from their website, here is what to expect:

The Chesapeake Bay Maritime Museum's 18-acre waterfront campus, which includes Navy Point, was once was the site of a busy complex of seafood packing houses, docks, and work boats. Today, it is the site of the nation's most complete collection of Chesapeake Bay artifacts, visual arts, and indigenous water craft.

It is also home to the historic 1879 Hooper Strait Lighthouse. Exhibitions, public programs, and a working boat yard cover the range of Chesapeake Bay maritime history and culture-- including the Bay's unique watercraft and boat building traditions, navigation, water-fowling, boating, seafood harvesting, and recreation.

The Museum Store, located adjacent to the Museum entrance, offers one of the most complete collections of Chesapeake Bay books and maps as well as a wide assortment of gifts and Bay collectibles.

The Chesapeake Bay Maritime Museum is both a regional educational institution and a resource for community educators and students. As the only institution dedicated exclusively to the study of the Bay's history and culture, we strive to make our research, collections, and library accessible to scholars and learners of all ages. And we strive to find innovative and engaging ways to interpret the Bay's culture through hands-on learning for school students and teachers.

4:00PM – Depart St. Michael's marina and head back to the Classic Motor Museum area (2mi, 15min)

4:15PM – Shopping, then spirits, then wine, then beer tastings. In that order, if you look above, I've ordered these locations by when the close so, that is the order for our crawl here. (2hr 15min)

6:30PM – depart for dinner.

6:45PM – Dinner (2hrs)
