Membership Business Meeting 06/11/25 prepared by Richard Gatling, Secretary, Beachcombers Corvette Club

The meeting minutes for June 11, 2025 had 57 attendees. Also among those attending were

A new member Ben Allen joining our club and driving a 1998 Torch red convertible.

There were 2 other guests from Pa. owners of a 1967 coupe in the marina blue color with the 327/350hp motor.

The meeting reviewed the success and positive feedback from the Vettes of Virginia Beach 2025

Car show. Thanks to all of more than 50 volunteers who helped in many ways to make this show possible. Please see our power point slide and pictures. Our financials will help our future events.

Also presented by our slides were the results of other shows highlighting the Beachcombers members winning awards. Please note our upcoming events in the power point slides and the methods to register on the website for those events.

Special announcement for the Holiday in July sale for the Christmas party tickets. For July 1st until August 5th, get your tickets at a \$10 discount per member. During this time \$25 rather than \$35.

Member highlight was featuring Clay Beall our treasurer and his 2023 C8 Torch red.

Rob Clyburn talked about the C4 generation with lots of facts on its history from 1984-1996.

Our member minutes reviewed some of the proposed changes for our next Vettes of Virginia Beach show. Among the concerns was to establish and announce clearer rules for the car judging. Noteworthy it was mentioned to start planning now.

Please remember our Landstown Common Cruise in dates have only 5 more hosting events

There will be a sponsor charge increase for new and renewal price change to \$100.

Winning our 50/50 for tonight was Francine Deir with \$78
