The background of the image is a scenic autumn landscape. In the foreground, there is a lush green grassy field. A white wooden fence runs horizontally across the middle ground. Behind the fence, several trees are in full autumn foliage, with leaves in shades of bright red, orange, and yellow. In the background, more trees with bare branches are visible against a pale sky. A white building and a white van are partially visible behind the trees on the left side.

Business Meeting Minutes September 2 2025 prepared by Richard Gatling, Secretary.

Attendance tonight was 67, welcomed to the meeting by John and Dianne Clyburn.

Special note to update due to schedule conflict, our board meeting now on 9/17/2025.

Please see Karen Ambrose slide for additional new members and a guest, Ron Saxby. Our families are now at 98.

Our membership meeting for October will be 10/15/2025 Wednesday. This was due to a conflict on a club trip for the Fall foliage.

Clay Beall's treasurer report showed an ending balance of \$35,724. However, our president Brenda Cutting was quick to state we have many future charity and events yet to be funded. That balance will change greatly after those costs are applied.

Lots of club members winning awards at the shows last month. Please see the slides following the Looking in The Rearview Mirror.

Looking ahead, we are starting back with Wings Wednesday at Lendy's on 9/24. Please check our website for more information.

John Kummers has enlisted new proposed members for our board. Please attend the October 15th meeting to hear their voices.

Preston Powers was highlighted tonight. He has been a great advocate for our club over his 20+ year membership.

Professor Rob Clyburn Corvette College exposed a unique trivia point on his discussion of the C6 Corvette generation. The only generation without a green color.

Please note the remaining slides for all the other activities.

Our 50/50 winner tonight was Beth Livak, congratulations collecting \$95.
