Vettes At Virginia Beach –April 26 Car Show @ New Realm

This year's Vettes at Virginia Beach car show may very well go down as our best one yet. We had an incredible turnout, reaching 118 pre-registered Corvettes, with even more enthusiasts joining us the morning of the event. It was a fantastic showing that truly reflects the continued growth and excitement surrounding our show.

The day began with a light coastal mist, adding a bit of suspense, but right on cue the mists stopped by 9:00 AM. As the rain lifted, the lot came alive as owners quickly got to work wiping down and shining their cars, bringing out the vibrant colors and pristine finishes that make these Corvettes stand out. It set the perfect stage for judging and created that unmistakable car show energy.

Even with temperatures hovering in the 50s, the atmosphere remained warm and electric. Corvette owners and spectators alike embraced the day, enjoying the camaraderie, music, activities, and shared passion for America's sports car. The enthusiasm never wavered, and the sense of community was on full display throughout the event.

A special thank-you goes to our 50+ Beachcombers Corvette Club volunteers who once again delivered an outstanding performance. From registration and parking to judging, activities, and hospitality, every detail was handled with professionalism and care. Their dedication is what makes this event run seamlessly year after year.

*With such a successful show behind us, the momentum is already building—we're excited and motivated as we begin planning for next year's Vettes at Virginia Beach, aiming to raise the bar even higher. **More on this later!***
