June Events

BCC Visit to Lynnhaven Middle School – June 9

Lynnhaven Middle School recently invited owners of classic 1950s and 1960s Corvettes and other period muscle cars to participate in a special educational event inspired by the students' reading of *The Outsiders* by S. E. Hinton. As part of their study of the novel, students explored the cars, culture, and lifestyle of the 1960s, including the iconic Corvette Stingray featured in the story. To bring the book to life, the school hosted a themed day where students dressed as Greasers and Socs and had the opportunity to see classic Corvettes and other muscle cars up close.

Thanks to the four BCC Corvette owners who proudly displayed their vehicles and spent time speaking with students about the history, design, and ownership of these remarkable cars. The display also included several other classics from the era, including Mustangs, Camaros, and even a vintage Corvair, helping create an authentic glimpse into the automotive world of the 1960s.

Students visited the vehicles in small, teacher-chaperoned groups, learning about the cars while asking questions directly to the owners. The event provided a unique opportunity to connect literature, history, and automotive culture in a hands-on and memorable way. Photos were also taken of students in costume alongside the classic cars, creating lasting memories of this special day.
